Chairman's Letter

9 February 2024

Dear CDI Holder

On behalf of the Directors of Conrad Asia Energy Ltd (**Company**), I am pleased to offer you the opportunity to participate in the security purchase plan (**SPP**) which was announced on 2 February 2024.

The SPP allows Eligible CDI Holders in the Company the opportunity to each subscribe for up to \$30,000 worth of new CHESS Depositary Interests over underlying new fully paid ordinary shares in the Company (**CDIs**), without incurring brokerage or other transaction costs, on the terms and conditions set out in this Booklet (**SPP Offer**).

The Company intends to raise \$2.85 million under the SPP Offer, with the capacity to accept oversubscriptions above that amount, or to scale back applications, at its absolute discretion. Accordingly, more or less than \$2.85 million may be raised under the SPP Offer. The SPP Offer is not underwritten.

The SPP Offer is part of a broader capital raising being undertaken by the Company. As announced to ASX on 2 February 2024, the Company has raised \$13 million (before costs) via a placement to new and existing institutional and sophisticated investors (**Placement**).

Proceeds of the Placement and the SPP will be used for the following purposes:

- exploration studies and seismic at Aceh;
- general project costs; and
- general and administrative expenses.

SPP Offer Details

The SPP Offer provides you with the opportunity to increase your holding of CDIs in the Company at the same issue price paid by institutional and sophisticated investors under the Placement, being \$0.95 per CDI (**Issue Price**).

You may apply for a parcel of CDIs valued at \$1,000, \$2,500 and thereafter in \$2,500 increments up to a maximum of \$30,000 (in aggregate) at the Issue Price.

Participation in the SPP Offer is optional and open to Eligible CDI Holders, being registered holders of CDIs in the Company at 7:00pm (AEDT) on Thursday, 1 February 2024 (**Record Date**) and whose address on the Register is in Australia, New Zealand, Hong Kong, Malaysia (but only to the extent that such holder confirms that the holder is a person prescribed under Schedules 6 and 7 of the Malaysian Capital Markets and Services Act 2007), Seychelles, Singapore, Indonesia, the United Kingdom or is a Director of the Company in the United States and who meet certain other conditions as set out in the terms and conditions in this Booklet. The SPP Offer is also being extended to Eligible CDI Holders who are Custodians to participate in the SPP Offer on behalf of certain Eligible Beneficiaries on the terms and conditions set out in this Booklet. Your right to participate in the SPP Offer is not transferable. All CDIs under the SPP Offer will rank equally with existing CDIs in the Company.

The terms and conditions of the SPP Offer are provided in this Booklet.

The Company has determined to raise \$2.85 million under the SPP Offer, with the capacity to accept oversubscriptions above that amount, or to scale back applications, at its absolute discretion. Accordingly, more or less than \$2.85 million may be raised under the SPP Offer.

In the event that Applications for more than \$2.85 million are received, the Company may, in its absolute discretion, reduce the number of CDIs issued to each applicant to the extent and in the manner that it sees fit, including if the aggregate amount applied for by all Eligible CDI Holders exceeds the Company's requirements. The scale back may be applied to the extent and in the manner the Company sees fit,

which may include taking into account a number of factors, such as the size of an applicant's CDI holding at the Record Date, the extent to which the applicant has sold or purchased CDIs since the Record Date, whether the applicant has multiple registered holdings, the date on which the Application was made and the total Applications received from Eligible CDI Holders. Therefore, you may receive less than the parcel of CDIs for which you have applied. Should this happen, the balance of any Application Money that is not applied to acquire CDIs will be refunded to you, without interest.

I urge you to read this Booklet and the Application Form in their entirety and seek your own financial, taxation and other professional advice in relation to the SPP Offer, before you decide whether to participate.

The SPP Offer opens at 9:00am (AEDT) on Friday, 9 February 2024 and is expected to close at 5:00pm (AEDT) on Wednesday, 28 February 2024.

How to accept the SPP Offer

To apply for CDIs under the SPP Offer, you must either:

- complete and return your personalised Application Form, together with payment; or
- make a payment directly via BPAY which is the fastest and most efficient way to pay your Application Monies. When making your payment by BPAY you do not need to return your Application Form.

This means it is possible that, up to and/or after the Issue Date, you may be able to buy CDIs on the ASX at a lower price or higher price (depending on the market price of CDIs on the relevant day) than the Issue Price.

Please read these terms and conditions carefully, as you will be bound by them in participating in the SPP Offer. CDI Holders accepting the SPP Offer will also be bound by the Constitution.

The key dates set out above, and the key SPP Offer information set out in section 1, above, form part of these terms and conditions. Capitalised terms have the meaning provided in the glossary below, unless the context requires otherwise.

2.1 SPP Offer

The Company offers each Eligible CDI Holder the opportunity to purchase a parcel of CDIs valued at \$1,000, \$2,500 and thereafter in \$2,500 increments up to a maximum of \$30,000 (in aggregate) at the Issue Price.

The Company has determined to raise \$2.85 million under the SPP Offer, with the capacity to accept oversubscriptions above that amount, or to scale back applications, at its absolute discretion. Accordingly, more or less than \$2.85 million may be raised under the SPP Offer.

In the event that Applications for more than \$2.85 million are received, the Company may, in its absolute discretion, reduce the number of CDIs issued to each applicant to the extent and in the manner that it sees fit, including if the aggregate amount applied for by all Eligible CDI Holders exceeds the Company's requirements. The scale back may be applied to the extent and in the manner the Company sees fit, which may include taking into account a number of factors, such as the size of an applicant's CDI holding at the Record Date, the extent to which the applicant has sold or purchased CDIs since the Record Date, whether the applicant has multiple registered holdings, the date on which the Application was made and the total Applications received from Eligible CDI Holders. Therefore, you may receive less than the parcel of CDIs for which you have applied.

The SPP Offer will open at 9:00am (AEDT) on Friday, 9 February 2024 (**Opening Date**) and close at 5:00pm (AEDT) on Wednesday, 28 February 2024 (**Closing Date**).

Proceeds of the Placement and SPP will be used for the following purposes:

- (a) exploration studies and seismic at Aceh;

- (c) general and administrative expenses.

If you choose not to participate in the SPP Offer, your right to participate lapses on the Closing Date (or such other date as the Company determines).

The SPP Offer to each Eligible CDI Holder (whether as a Custodian or on its own account) is made on the same terms and conditions.

The SPP Offer is non-renounceable and non-transferable and, therefore, Eligible CDI Holders cannot transfer their right to purchase CDIs under the SPP Offer to a third party.

All references to “\$” or “dollars” in these terms and conditions are references to Australian dollars unless otherwise indicated.

2.2 Eligible CDI Holders

You are eligible to participate in the SPP Offer if you:

- (a) were registered on the Register as a CDI Holder on the Record Date; and
- (b) are an Eligible CDI Holder; and
- (c) unless you are a Director of the Company resident in the United States, are not in the United States, and are not acting for the account or benefit of a person in the United States. If you are acting for the account or benefit of a person in the United States, you will not be eligible to participate in respect of the CDIs held for the account or benefit of that person (unless such person is a Director of the Company).

Conrad has determined that, due to restrictions under foreign securities laws, it is not practical for holders of CDIs with a registered address outside Australia, New Zealand, Hong Kong, Malaysia, Seychelles, Singapore, Indonesia, the United Kingdom or the United States to participate in the SPP Offer, although reserves the right to do so in specific circumstances.

Directors and employees of the Company who are Eligible CDI Holders may participate in the SPP Offer.

2.3 Joint holders/Custodians

If two or more persons are registered on the Register as jointly holding CDIs, they are taken to be a single registered holder of CDIs for the purposes of determining whether they are an Eligible CDI Holder and a certification given by any of them is taken to be a certification given by all of them. If the same joint holders receive more than one offer under the SPP Offer due to multiple registered holdings, the joint holders may only apply for CDIs up to a maximum of \$30,000 under the SPP Offer.

Subject to these terms and conditions, Eligible CDI Holders who are Custodians may participate in the SPP Offer on behalf of each Eligible Beneficiary on whose behalf the Custodian is holding CDIs.

2.4 Applications for CDIs

Eligible CDI Holders may apply for a parcel of CDIs under the SPP Offer valued at \$1,000, \$2,500, \$5,000, \$7,500, \$10,000, \$12,500, \$15,000, \$17,500, \$20,000, \$22,500, \$25,000, \$27,500 or \$30,000.

The SPP Offer must comply with the limit in the ASIC Instrument. Under the ASIC Instrument, Eligible CDI Holders may only acquire a maximum of \$30,000 worth of CDIs under a security purchase plan in any 12-month period. This means that you are not permitted to acquire more than \$30,000 worth of CDIs in aggregate, even if you receive more than one Application Form or hold CDIs in more than one capacity (e.g. if you are both a sole and joint holder of CDIs).

Eligible CDI Holders who wish to apply for CDIs must either:

- (a) make a payment via BPAY in accordance with the instructions on the Application Form so that it is received prior to the Closing Date; or
- (b) make a payment cheque, in accordance with the instructions on the Application Form so that it is received prior to the Closing Date.

Eligible CDI Holders who receive more than one offer under the SPP (for example, because they hold CDIs in more than one capacity or in different registered holdings) may apply on different Application Forms for CDIs but may not apply for CDIs with an aggregate value of more than \$30,000.

If you wish to subscribe for CDIs as a Custodian for one or more Eligible Beneficiaries, you must also complete and submit an additional Custodian Certificate that contains further certifications and details (required under the terms of the ASIC Instrument) before your Application will be accepted. Applications by Custodians that are not accompanied by a duly completed Custodian Certificate will be rejected. Contact the Registry to receive the Custodian Certificate. Contact the Registry on 1300 737 760 (callers within Australia) or +61 2 9290 9600 (callers outside Australia) between 8:15am and 5:30pm (AEDT) Monday to Friday throughout the SPP Offer period to receive the Custodian Certificate.

The Company, its officers and agents may accept or reject your Application for CDIs at its discretion in whole or in part including, without limitation, if:

- (c) your Application does not comply with these terms and conditions;
- (d) it appears you are not an Eligible CDI Holder;
- (e) your Application Form and cheque or BPAY payment is not received by the Registry by the Closing Date;
- (f) if paying by cheque, your Application Form is incomplete or incorrectly completed or is otherwise determined by the Company to be invalid;
- (g) if you apply on behalf of an Eligible Beneficiary but do not provide a signed Custodian Certificate;
- (h) if you apply on behalf of an Eligible Beneficiary but provide an incomplete or incorrectly completed Custodian Certificate;
- (i) your cheque is dishonoured or has been incorrectly completed;
- (j) it appears that you are applying to purchase more than \$30,000 worth of CDIs in aggregate (including as a result of CDIs you hold directly, jointly or through a custodian or nominee arrangement) in the 12 months period prior to making the Application; or
- (k) payment of the Application Monies is not submitted in Australian currency or, if payment is made by cheque, the cheque is not drawn on an Australian financial institution.

If the Company rejects your Application in whole or in part, the Company will (in its sole discretion):

- (l) refund the amount of your Application Monies applied to payment for CDIs; or
- (m) allot to you the number of CDIs that would have been allotted had you applied for the highest designated amount that is less than the amount of your Application Monies and refund to you the excess amount of your Application Monies.

If you are entitled to a refund of all or any of your Application Monies, the refund will be paid to you, without interest, as soon as is practicable, by direct credit or cheque to your address shown on the Register, in accordance with the requirements of the Corporations Act.

2.5 Risks

Subscription for CDIs under the SPP Offer is a speculative investment and the market price may change between the date you apply for CDIs and the issue of CDIs to you. Accordingly, the value of CDIs applied for is likely to rise or fall. Importantly, there is a risk that during the period between when you apply for CDIs and when the CDIs are issued to you, the price at which CDIs are traded on the ASX may be less than the Issue Price payable under this SPP Offer.

This document is not a prospectus or product disclosure statement, and has not been lodged with ASIC. The issue of a prospectus or product disclosure statement is not required for the purposes of the SPP Offer. This document does not contain the types of disclosure required to be contained in a prospectus or product disclosure statement. You must rely on your own knowledge of the Company, previous disclosures made by the Company to the ASX (including disclosure regarding the risks of making an investment in the Company) and, if necessary, consult your financial or other professional adviser when deciding whether or not to participate in the SPP Offer.

The Investor Presentation contains a summary of the key risks attaching to an investment in new CDIs. If any of the risks eventuate, they could have a material adverse effect on Conrad's business, financial condition, operating and financial performance and return to CDI Holders. The key risks set out in the Investor Presentation are not exhaustive. Additional risks that Conrad is unaware of, or that Conrad currently considers to be immaterial, also have the potential to have a material adverse effect on Conrad's business, financial condition and operating and financial performance. Potential investors should carefully consider all publicly available information (including this announcement and the risk factors set out within) concerning Conrad and whether Conrad CDIs are suitable to acquire having regard to their own investment objectives and financial circumstances.

2.6 Issue Price

The Issue Price will be \$0.95 per CDI, being the same price paid by investors under the Placement announced by Conrad to ASX on 2 February 2024.

For the purposes of paragraph 7(e)(i) of the ASIC Instrument, the Issue Price was calculated by reference to the Issue Price paid by investors under the Placement.

In accordance with the requirements of the ASIC Instrument, the Company confirms that the Issue Price is lower than the market price of the Company's CDIs during a "specified period" (being the 7 trading days immediately prior to the announcement date of the SPP Offer).

The market price or value of CDIs is subject to market volatility. The market price of the CDIs in the Company may rise and fall between the date of the SPP Offer and the date that any CDIs are allotted to you as a result of your acceptance of the SPP Offer. If you apply to participate in the SPP Offer, you are accepting the risk that the market price of CDIs may change between the time you make your Application and the date that the CDIs are allotted.

The current price of CDIs can be obtained from the ASX website at www.asx.com.au (ASX code: CRD) and is listed in the financial and business section of major daily newspapers circulating in Australia.

You agree to pay the Issue Price per CDI for the number of CDIs you have applied for under the SPP Offer or, if there is a scale back, the number of CDIs calculated under section 2.11.

2.7 Number of CDIs to be issued

If you apply for CDIs under the SPP Offer, you will apply for a certain value, rather than a certain number, of CDIs.

Subject to the terms and conditions in this Booklet, the number of CDIs you will be issued under the SPP Offer will be determined by:

- (a) if there is no scale back, dividing the value of your Application Monies by the Issue Price; or
- (b) if there is a scale back, dividing the value of the amount of CDIs issued to you by the Issue Price.

If this calculation produces a fractional number, the number of CDIs issued will be rounded down to the nearest whole number of CDIs (refer to section 2.11 for more information on rounding).

2.8 Issue

CDIs will be issued on the Issue Date and will rank equally with existing CDIs as at the Issue Date.

The Company will apply to ASX for the quotation of CDIs. It is anticipated that CDIs will be quoted on the ASX, and that trading of the CDIs will commence, on Tuesday, 5 March 2024.

The Registry will send you a holding statement, confirming the number of CDIs issued to you, on or around Tuesday, 5 March 2024.

2.10 Rights attaching

The rights and obligations of the CDIs issued under the SPP Offer are contained in the constitution of Conrad and are regulated by the Companies Act 1967 of Singapore, the ASX Listing Rules and general law. The CDIs under the SPP Offer will be issued on the same terms as all other CDIs and Conrad will apply for the CDIs proposed to be issued under the SPP Offer to be quoted on the ASX.

2.11 Scale back

The Company has determined to raise \$2.85 million under the SPP Offer, with the capacity to accept oversubscriptions above that amount, or to scale back applications, at its absolute discretion. Accordingly, more or less than \$2.85 million may be raised under the SPP Offer.

In the event that Applications for more than \$2.85 million are received, the Company may, in its absolute discretion, reduce the number of CDIs issued to each applicant to the extent and in the manner that it sees fit, including if the aggregate amount applied for by all Eligible CDI Holders exceeds the Company's requirements. The scale back may be applied to the extent and in the manner the Company sees fit, which may include taking into account a number of factors, such as the size of an applicant's CDI holding at the Record Date, the extent to which the applicant has sold or purchased CDIs since the Record Date, whether the applicant has multiple registered holdings, the date on which the Application was made and the total Applications received from Eligible CDI Holders.

If there is a scale back, you may receive less than the parcel of CDIs for which you have applied.

If a scale back produces a fractional number of CDIs when applied to your parcel, the number of CDIs you will be allotted will be rounded down to the nearest whole number of CDIs.

Unless the Company exercises its right to scale back Applications or refunds amounts by reason of not receiving one of the amounts designated on the Application Form (in which case, it will return any excess Application Monies to you by direct credit or cheque), the Company will retain any excess Application Monies and pay such amount as a donation to a charity nominated by the Company.

Any Application Monies received that are to be refunded, must be refunded without interest as soon as practicable in accordance with the requirements of the Corporations Act.
